How to make it:

2. Print out the Horse Puppet pattern and cut out the shapes in the color construction paper as indicated.
3. Glue the white stripe onto the horses face in the center.
4. Glue on the eyes on either side of the white stripe. Use your black marker to make a pupil in the center of the eye.

6. To attach the ears: Make a pleat fold on the straight edge of the ear and tape to the back of the head piece at the top.
7. Glue the face piece to the front of the bag about an 1 ½" from the fold. Secure it in the back also with a piece of tape.

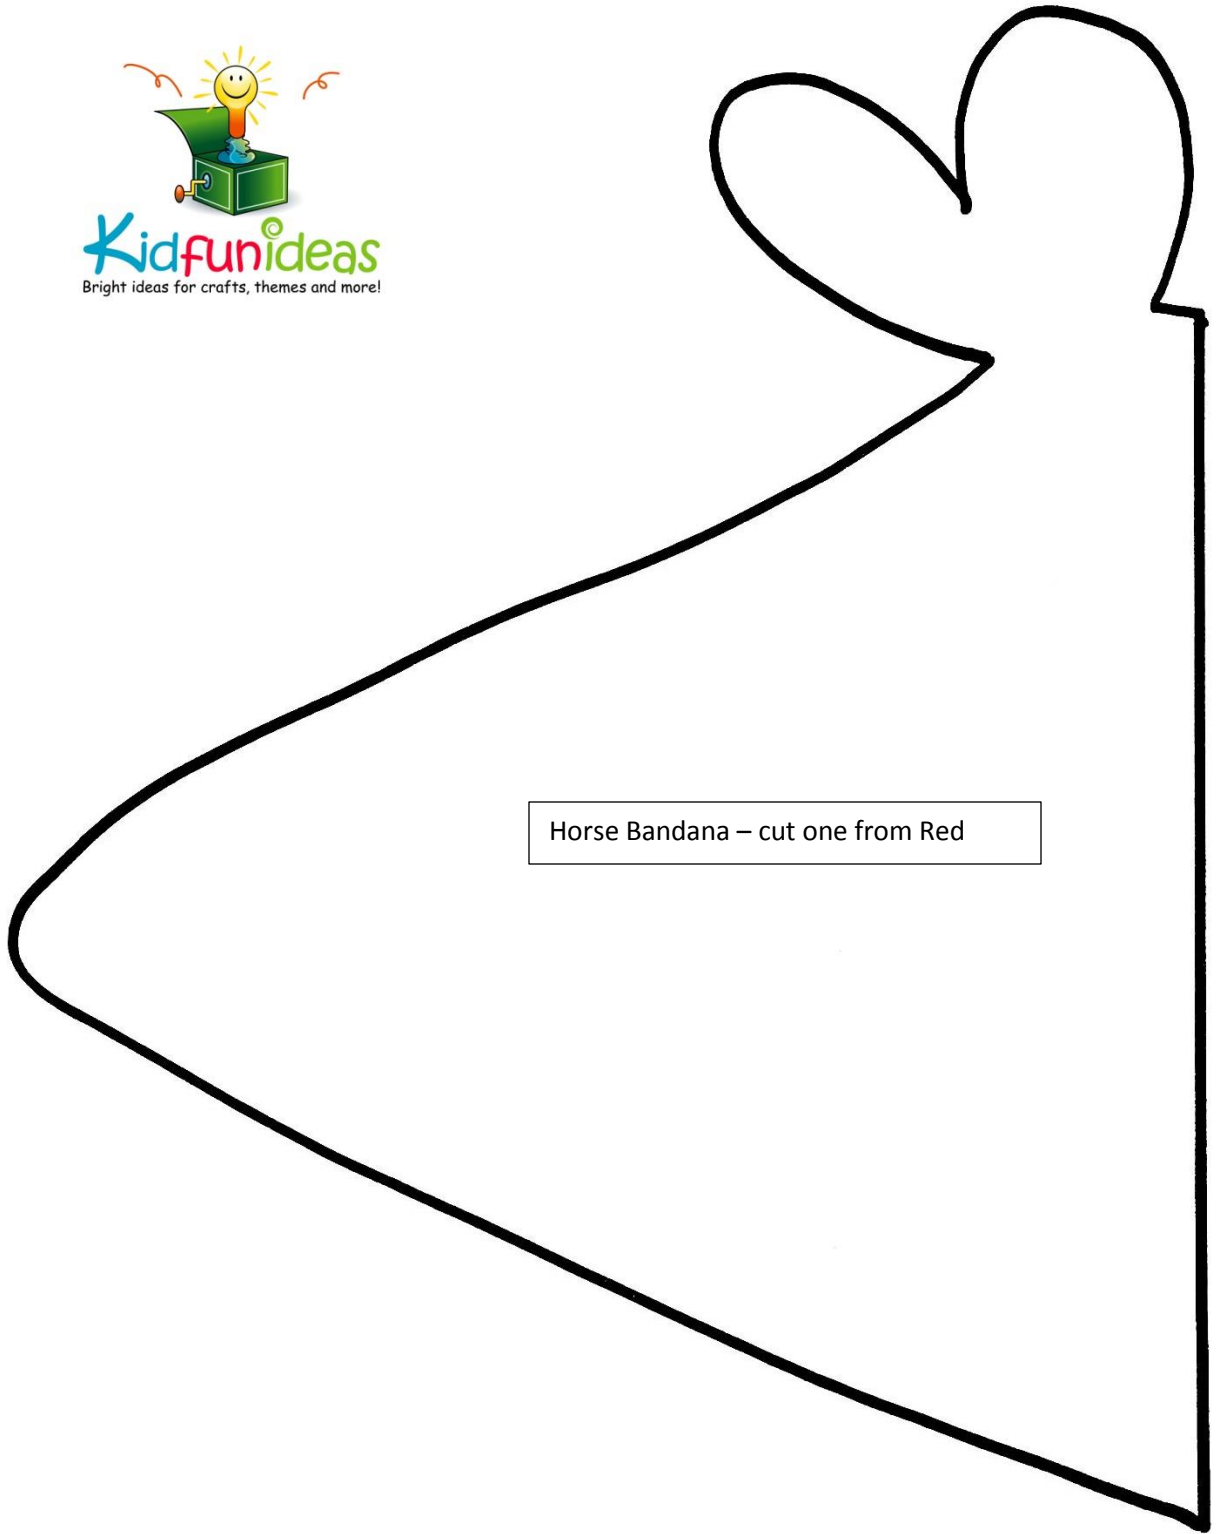

8. When your bowl is dry, add two nostrils and a smile on the bottom of the bowl. Attach the bowl to the bag with staples on either side of the bag sides.
