

# Peanuts

## Thanksgiving Cups

*Any kid who's watched Charlie Brown's Thanksgiving knows that the Peanut's gang had toast, pretzels, popcorn and jellybeans. Make these fun and silly treats with your kids and watch the smiles.*

What you'll need:

- Popcorn – all unpopped kernels removed
- Cinnamon Toast Crunch Cereal
- Pretzels
- Jellybeans
- Clear plastic cups
- Snoopy Thanksgiving printouts
- Cardstock – any color / or laminating machine
- Scissors
- Glue stick
- Tape

How to make it:

1. Into a large bowl, combine the popcorn, cereal, pretzels and jelly beans. Set aside.
2. Print out the Snoopy Thanksgiving printouts and cut away the excess paper. To make them stronger you can mount them on cardstock and trim away the excess or laminate them.
3. Tape your Snoopy toppers to the inside rim of your cup with clear tape.
4. Fill your cups with your popcorn mixture and you are done – so fun!
