

Leaf Buddies Craft

What a fun way to transform your autumn leaves. This autumn project is the perfect way to spend a chilly autumn day. Print out some of our leaf buddies, add your own leaves and color. Kids love trying the different shaped leaves on the pictures. These pictures look great hung on the refrigerator on the wall in a classroom. What you'll need:

- Assortment of leaves
- Leaf Buddy Printouts
- Crayons, Markers or color pencils to decorate
- Glue stick
- Scissors

How to make it:

1. Go to the park or your yard and collect an assortment of leaves. If your leaves are wet, carefully pat them dry with a paper towel. Try collecting more than one shape.
2. Use your scissors to trim off the stem. Carefully flatten the leaves and try them on your print out.
3. Color your leaf buddy picture with crayons, markers or colored pencils.
4. Attach your clean dry leaves to you leaf buddies with glue stick.
